

SINGAPORE SOUTHERN ISLANDS TOUR ON 22 SEP 2021

EXPLORE OUR SOUTHERN ISLANDS!

ITINERARY

We meet at Marina South Pier at 9.00 am and board our ferry heading south of Singapore to 2 of Singapore's most interesting islands - Kusu Island and St John's Island. These 2 islands are filled with legends, folklores and mysteries.

Each year, thousands of pilgrims visit the temples on Kusu Island and pay their respect to the Tua Peck Kong and Kuan Yin deities. There are also 3 keramats (Malay) to visit by climbing 153 steps. Your guide will share with you the various stories of this island.

We then proceed on to St John's Island, which is an island with an interesting history. When Sir Stamford Raffles first sailed to Singapore, he anchored his ship *Indiana* off St John's Island. St John's Island was also used as a quarantine station for new migrants as well as a POW camp during WWII. Your guide would take you for a short walk sharing with you the rich history and mysteries of the island.
